1 Introduction

Skill India Digital Hub is an initiative that offers comprehensive skill development and lifelong learning through classroom, online, and blended formats. It aligns education with industry needs, enhancing job prospects and supporting entrepreneurship. As a centralized platform, it merges government data repositories from education and employment sectors, streamlining the path for individuals to upgrade their skills and knowledge.

This user manual is designed to guide Training Partners (TPs) through the registration process on the platform. It offers step-by-step instructions to help TPs seamlessly sign up and unlock a range of features, ensuring they can fully utilize the platform's capabilities.

1.1 Scope

The user manual serves as a comprehensive guide to assist users in navigating the platform and successfully completing essential processes such as Candidate Enrolment, and Assessment Management.

The manual ensures that users have a clear understanding of each step involved, supported by detailed process flows, system requirements, and task-specific instructions.

1.2 Objective

The key objectives are as follows:

- a. **Ease of Navigation:** Simplify complex workflows by providing clear, step-by-step instructions for platform functionalities.
- b. **User Empowerment:** Enable users to independently handle tasks such as registration, login, batch creation, and candidate management.
- c. **Compliance Guidance:** Offer detailed instructions to help training partners meet Accreditation & Affiliation (A&A) or Non-A&A requirements.
- d. **Process Standardization:** Ensure all users follow a uniform approach across various processes for consistent results.
- e. **Error Prevention:** Minimize errors through precise instructions, system requirements, and data validation guidelines.
- f. **Enhanced Efficiency:** Streamline the platform's usage by detailing all functions, from registration to assessment and certification.
- g. **Accessibility:** Cater to all levels of users, from beginners to advanced, through a comprehensive and user-friendly format.

1.3 System Requirements

Skill India Digital Hub can be accessed through various devices and platforms, on both PC and Mac desktops/laptops.
