Introduction

SBI Foundation

SBI Foundation (SBIF) was incorporated to bring all the CSR activities of State Bank Group under one umbrella and contribute in the efforts made by the State Bank Group to support and uplift the underprivileged sections of society. The focus areas of SBIF are Livelihoods & Entrepreneurship, Education, Environment, Sports, Rural Development, Healthcare, Disability & Inclusion and Women Empowerment.

So far, SBIF has impacted the lives of more than a 20 million beneficiaries through its various CSR initiatives and aims to continue improving the socio-economic well-being of the society, particularly of the less fortunate and under-privileged members and enable them to live up to the potential that they all possess.

SBI Foundation's work through its flagship program, **SBIF CONSERW – 'Conservation Through Sustainable Engagements, Restoration and Wildlife Protection'**, is geared towards achieving the UN SDG 6 "Clean Water and Sanitation", SDG 7 "Affordable and Clean Energy", SDG 11 "Sustainable Cities and Communities", SDG 13 "Climate Action", SDG 14 "Life Below Water" and SDG 15 "Life on Land".

The SBIF CONSERW program works primarily in the following 4 themes:

- A. Sustainable Waste Management.
- B. Wildlife Protection
- C. Renewable Energy
- D. Restoration and Conservation of Ecosystems

- ii. No modification in the proposal shall be allowed, after the deadline for submission of proposal.

Scope of Work

The proposed project under SBIF CONSERW should be in the thematic area of Adoption of Solar Power. The project interventions will fall under the following sub themes:

- Implementation of off-grid solar power plants, rooftop solar systems, and solar lighting in underserved remote areas to ensure reliable electricity access, with the broader goal of transforming villages into energy self-sufficient communities.
- Deployment of community-based solar lift irrigation systems to enhance water availability for both agricultural and drinking purposes.
- Transforming institutions into energy self-reliant units through the adoption of solar energy solutions.

Under this, the project must align with the below-mentioned framework.

1. Thematic Area: Adoption of Solar Power

Framework

The following framework needs to be followed while preparing the project implementation plan.

- **Baseline / study** – Conduct baseline study of the community's energy and socio-economic needs, assess the demand for the setting-up of Solar Power systems and potential to improve resource efficiency.
- **Finalization of location** – Sites to be finalized through thorough consultation with community members and a Detailed Project Report (DPR) to be prepared.
- **Government approvals** – Obtain necessary approvals from government and local authorities for setting up solar infrastructure.
- **Partnership and Liaison** – To establish partnerships for knowledge sharing with active players or government organizations working for adoption of Solar Power.
- **Community mobilization activities** – Constitution of community-based institution and awareness sessions to keep the Solar Powered infrastructure sustained.
- **Implementation** – Installation of Solar Powered infrastructure with active involvement of community-based organizations, along with providing necessary training for operation and monitoring, to support the project's long-term sustainability.
- **Other activities** – Other activities included scoping study in other geographies, mid line or end line study of the project, supporting sustainable practices that reduce carbon emissions, etc.

Preferred project locations: Pan India (Priority will be given to remote, tribal, and hilly villages of aspirational that lack direct connectivity or access to electricity from the main power grid.)

We encourage the applicant organizations to propose unique sustainable restoration methodologies, that align with the overall objective of the theme.
